Like most human activities, ballooning has sponsored heroes and hucksters and a good deal in between. For every dedicated scientist patiently recording atmospheric pressure and wind speed while shivering at high altitudes, there is a carnival barker with a bevy of pretty girls willing to dangle from a basket or parachute down to earth.

This Is Up Front. by MARK ARTURO. NEW YORK - Three men walked all the way back from the front of the line, coming up to us. Their arms filled with packages, they said they wrote the future of the world. Now they were purchasing supplies and the like, lumber or metal, to make palatable the less fruitful aspects of the dedicated life.
